# **Pool**

#### **Pool Bubble Cover**

The pool bubble cover is designed to increase the water temperature when the pool is not used (Particularly at night) Unless

On extremely hot days if the pool temperature exceeds 30 Deg then the bubble cover should be left off (it can cause problems with the pool)

#### **Pool Maintained**

David our pool maintenance man will attend to the pool once a week normally on a Saturday it will normally take around 1 hour he will not require access to the main house.

#### **Pool Lockable Gate**

The only access to the pool is through the gate off the main patio A pad lock is provided. The gate should be kept locked at all times when the pool is not in use and children should only be allowed into the pool arear when supervised by an adult.

### **Pool Rules**

The rule for the pool are displayed on a sign at the pool side also on our website. Guests should acquaint themselves with the rules before using the pool.

#### **Pond in Lower Garden**

Children should be not allowed unsupervised to play in the garden particular attention regarding the pond.

#### **Sunshades and Parasols**

On windy days all sunshades and parasols should be closed particularly attention should be made to the fixed sun shade over the patio door adjacent to the pool (demonstration on how to use it)

# **Deck chairs**

Demonstration required on how to adjust back rest.

#### **Doors**

Large sliding door in main living arrear is difficult to lock please keep locked on the left side (please exit from the right side) Patio door right side of television (door locked) not in service
All keys to be kept in patio doors

#### **Attention Floor Tiles**

Floor tiles internal and external can be slippery when wet (particular the tiles in the main living area) please make sure at all times the correct / appropriate foot wear is warn. (never walk on the tiles with wet feet)

#### **Gas Bottles**

The cooker in the master kitchen is powered by bottled gas situated outside under the patio for the bunk room. There is as spare gas bottle also situated there. (To show guest where and how to change the gas bottle)
